**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports Broadband competition. Please allow smaller competitive companies access to fiber networks and Broadband distribution. We need competition to keep prices affordable and quality up.

I currently have DSL but would like fiber to come down my street to my house to give me the needed broadband. Please allow competition on these Broadband routes. A monopoly is bad for us consumers.
